V. NEBÓN

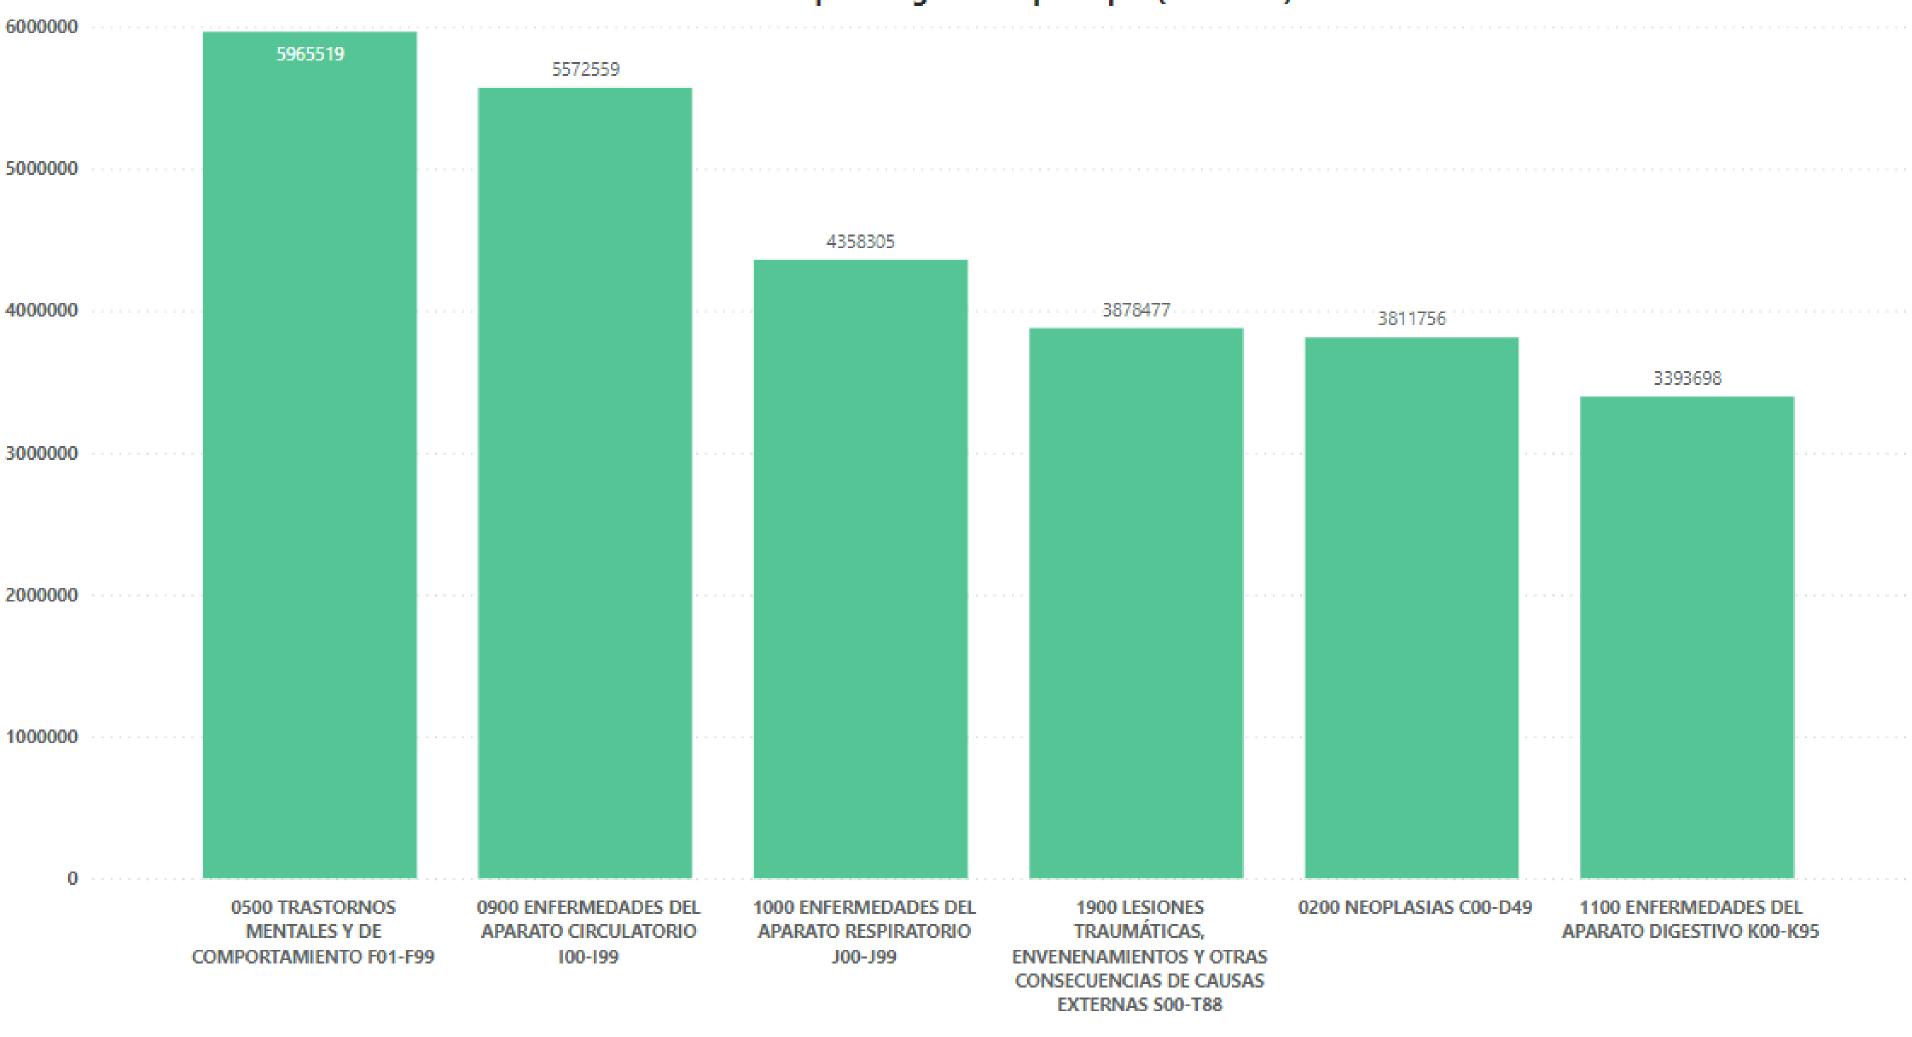

466 Suma de Cantidad hospitales

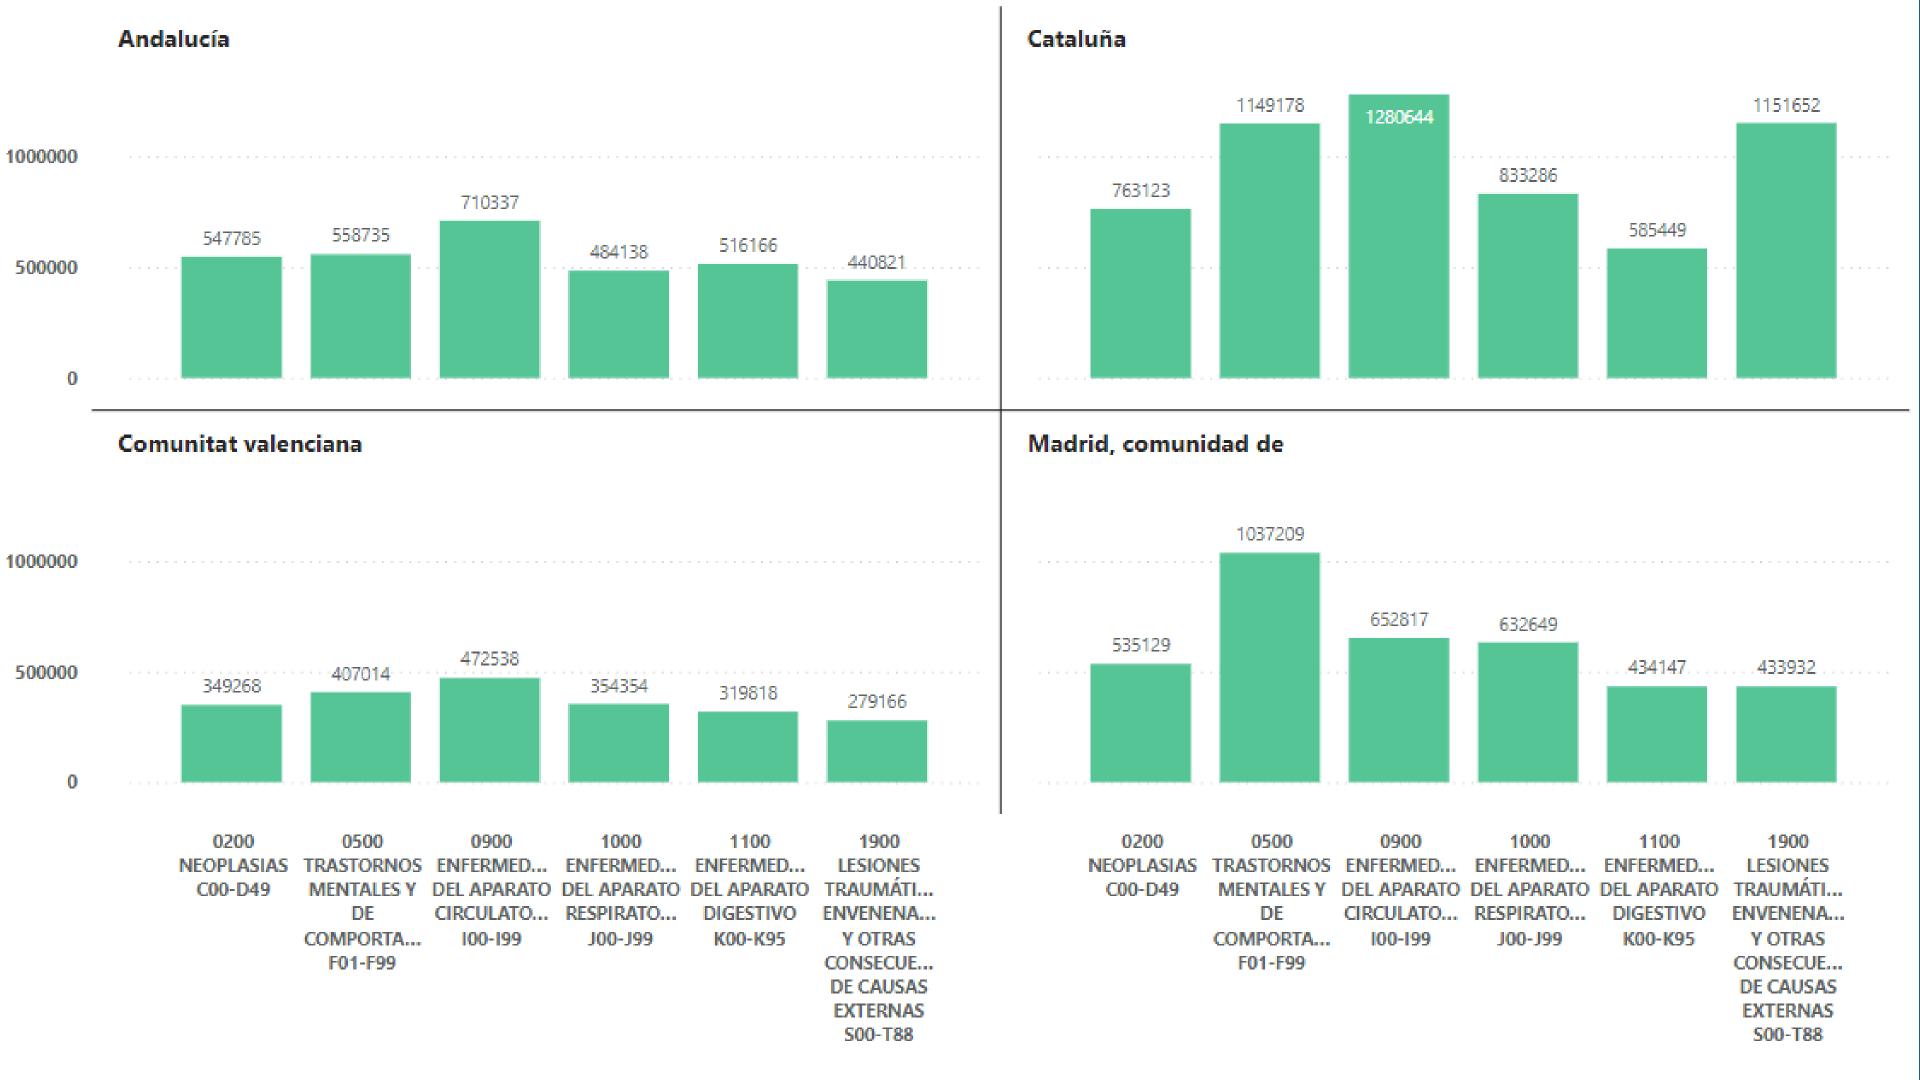

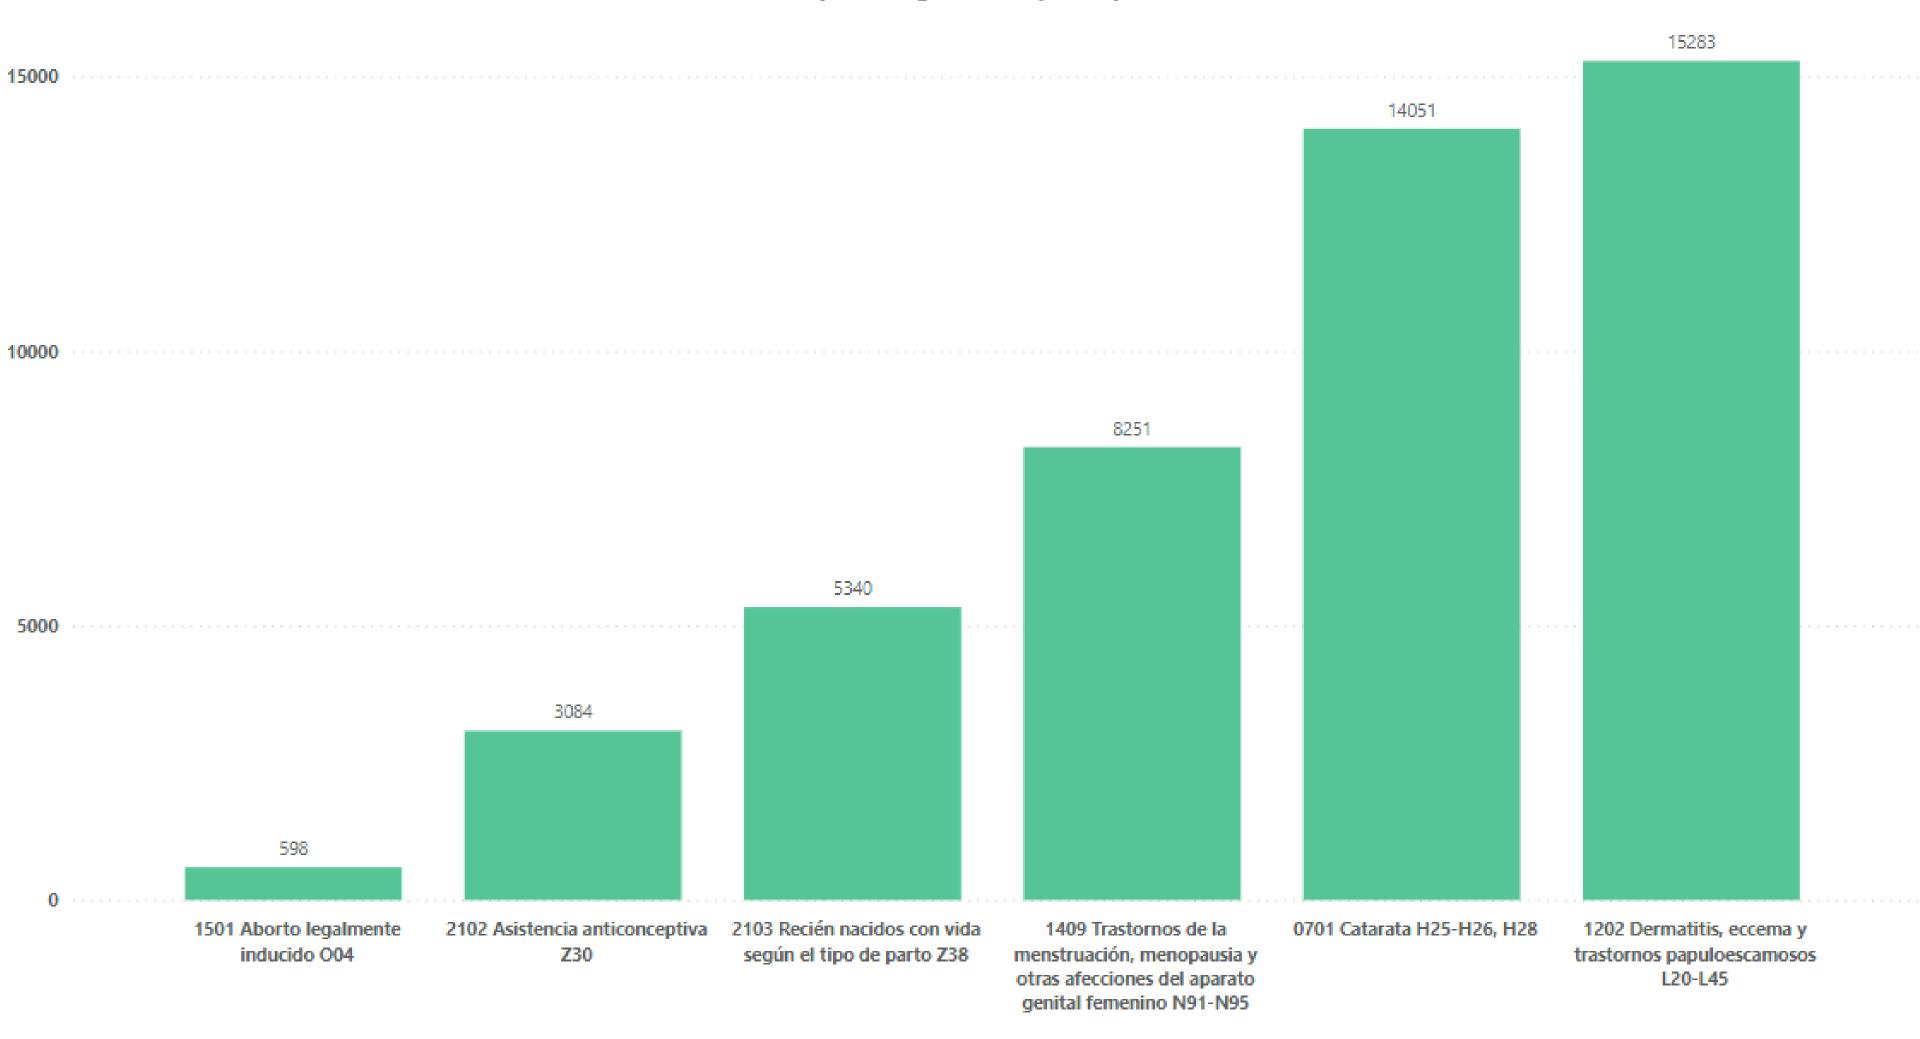

Comunidades y Ciudades Autónomas

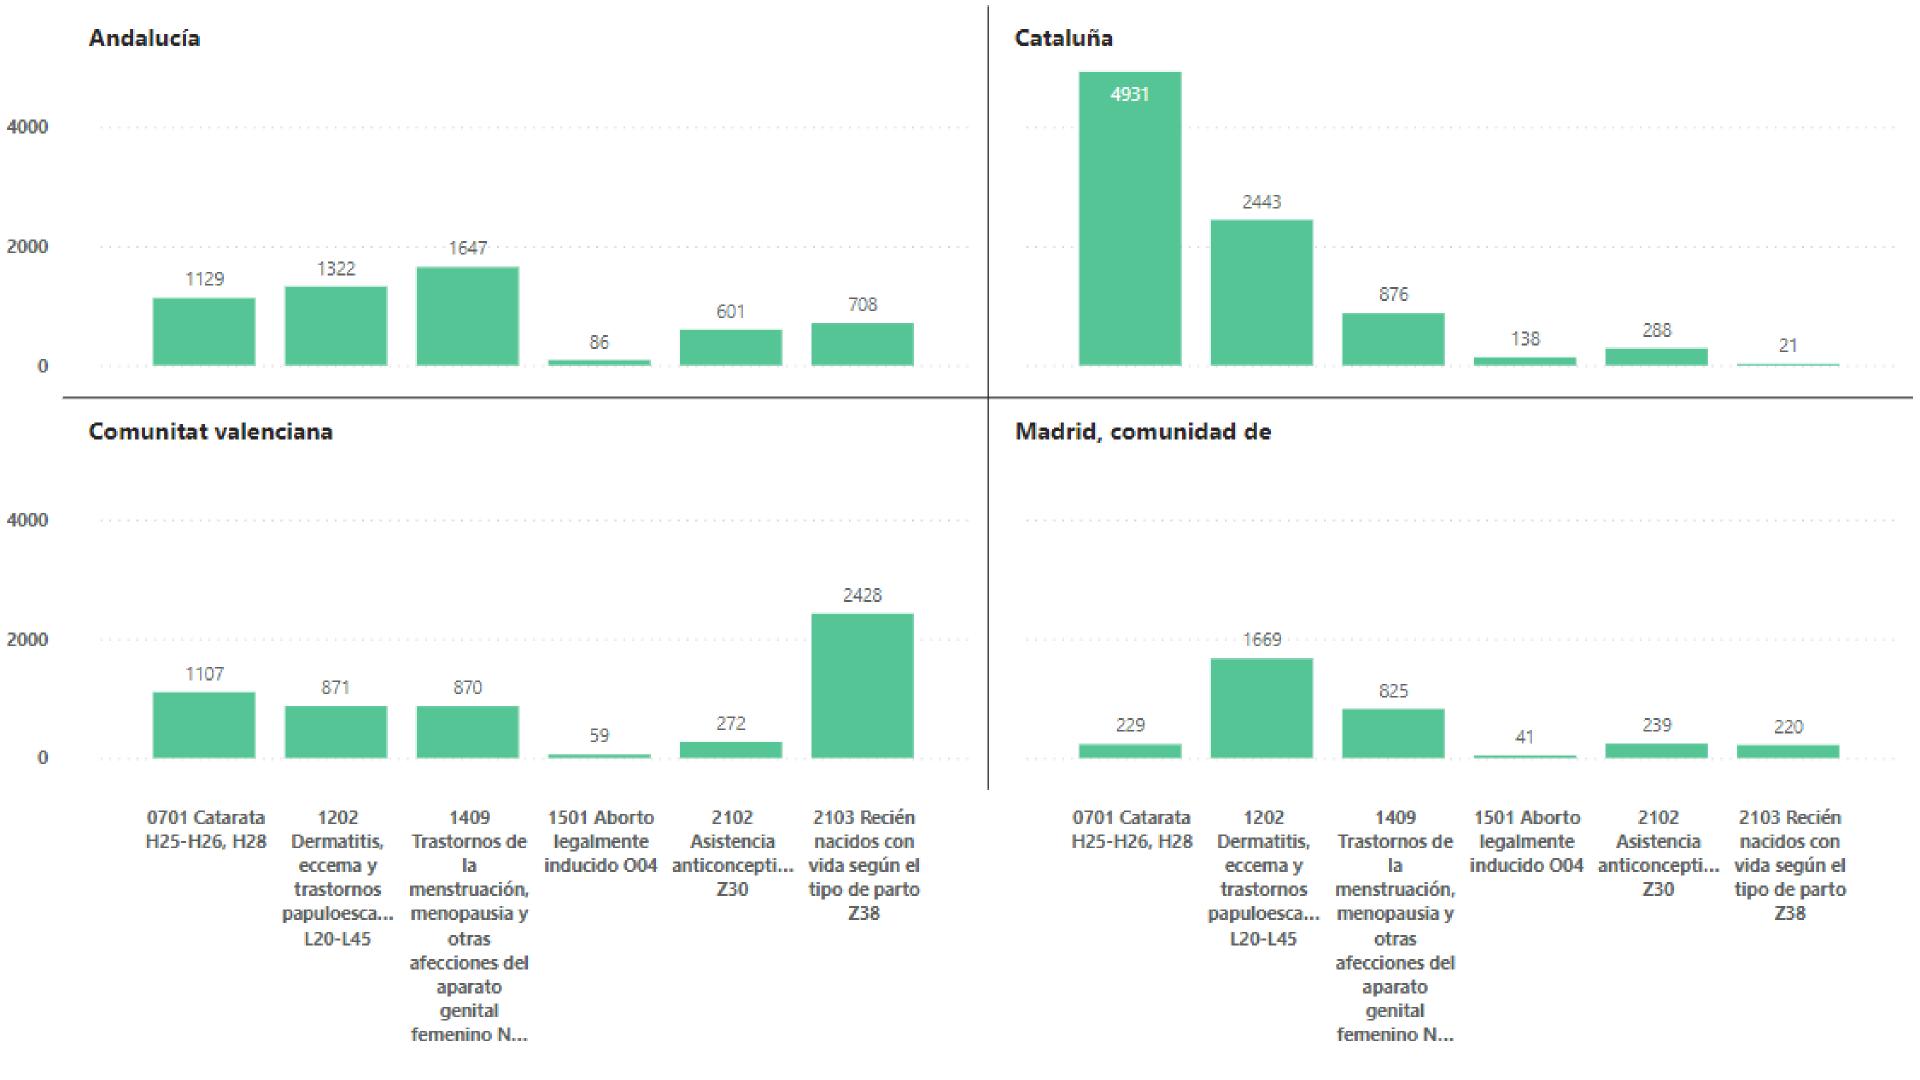

## Suma de Total por Diagnóstico principal (CIE10MC)

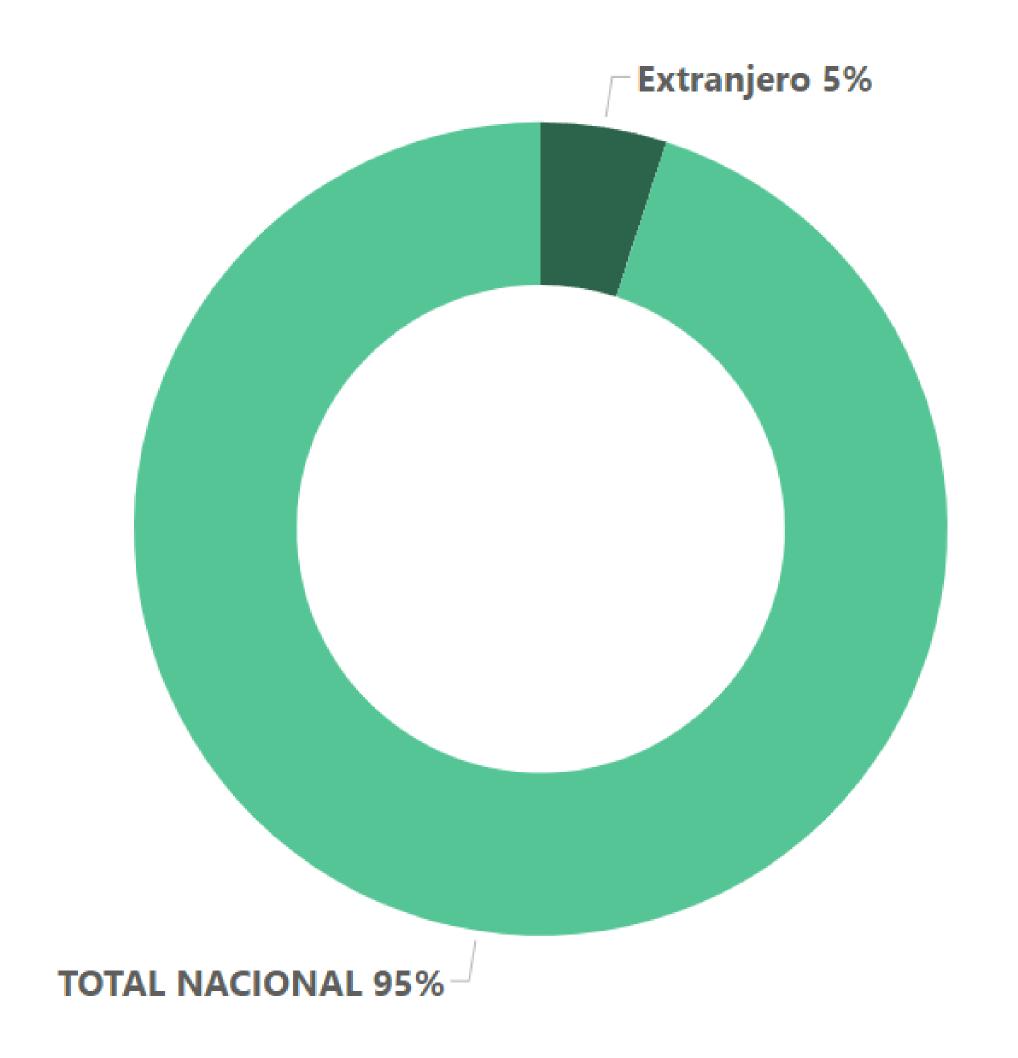

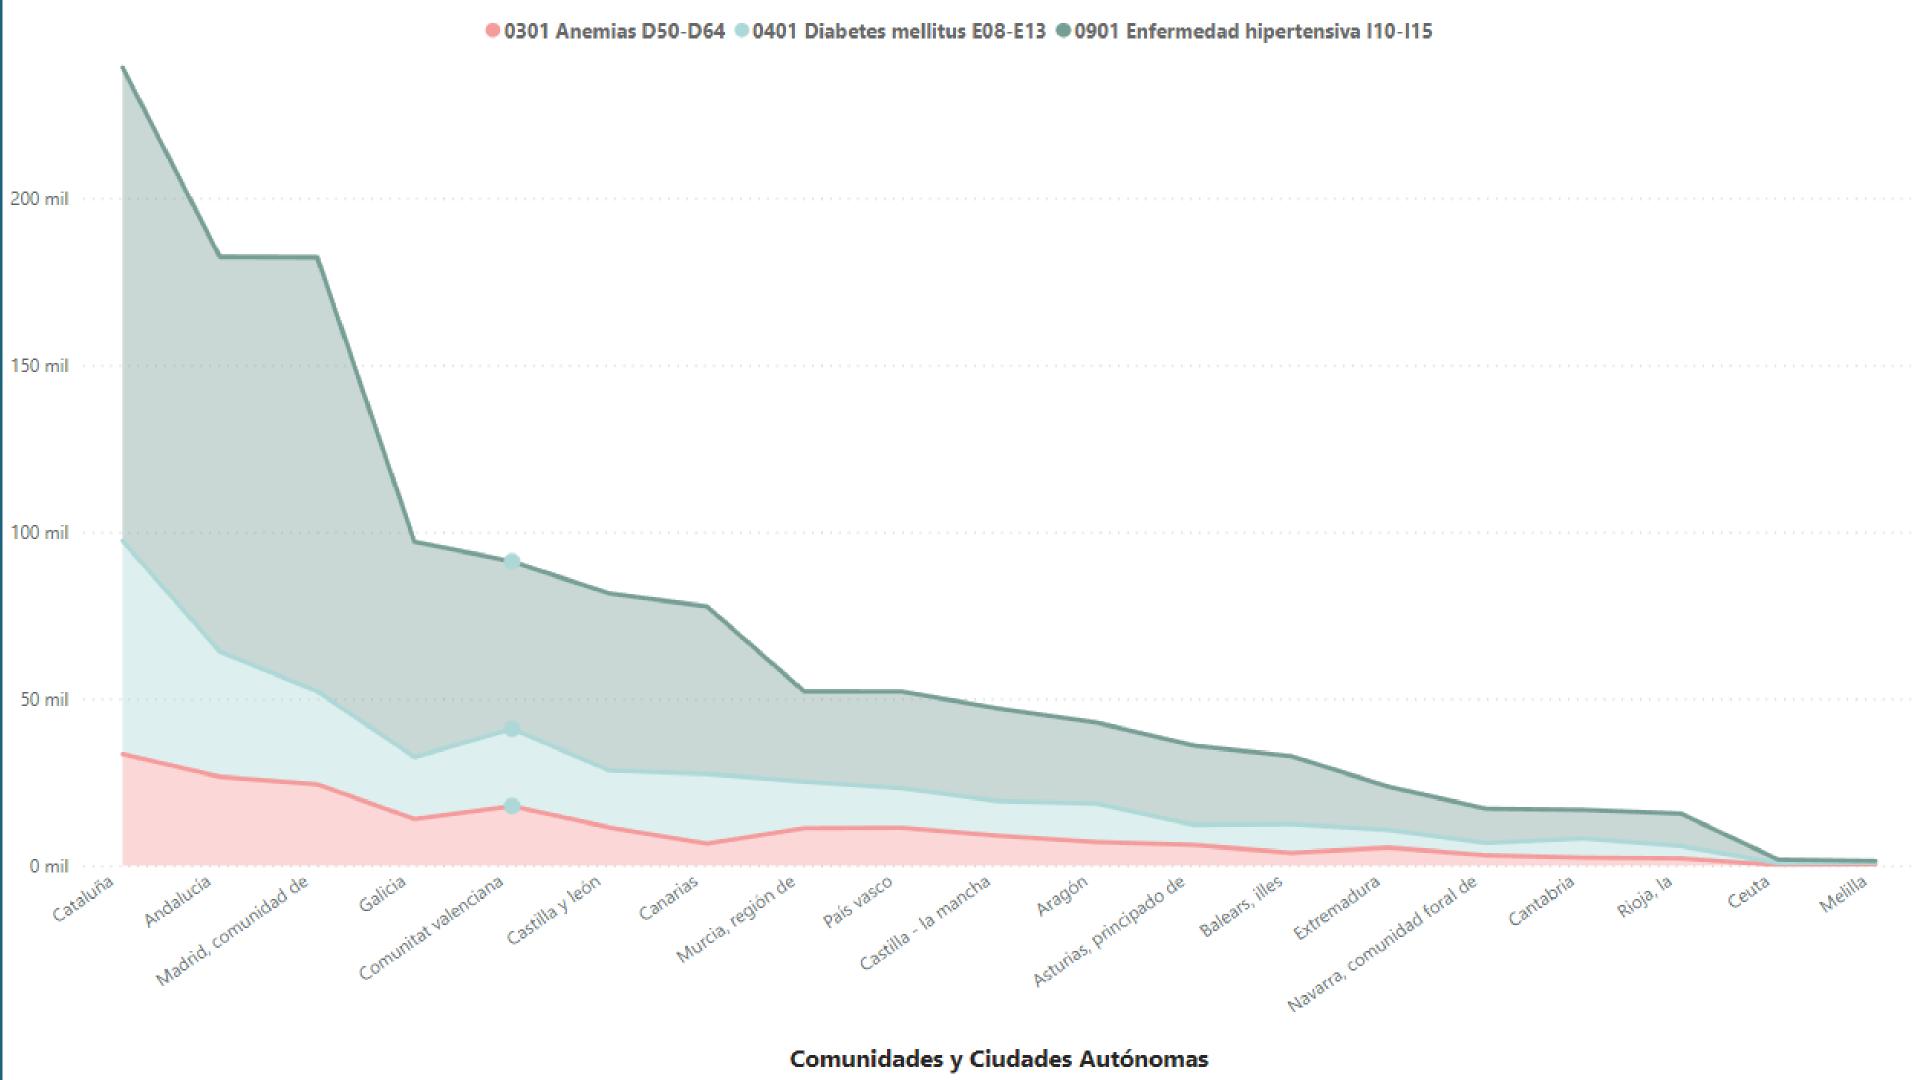

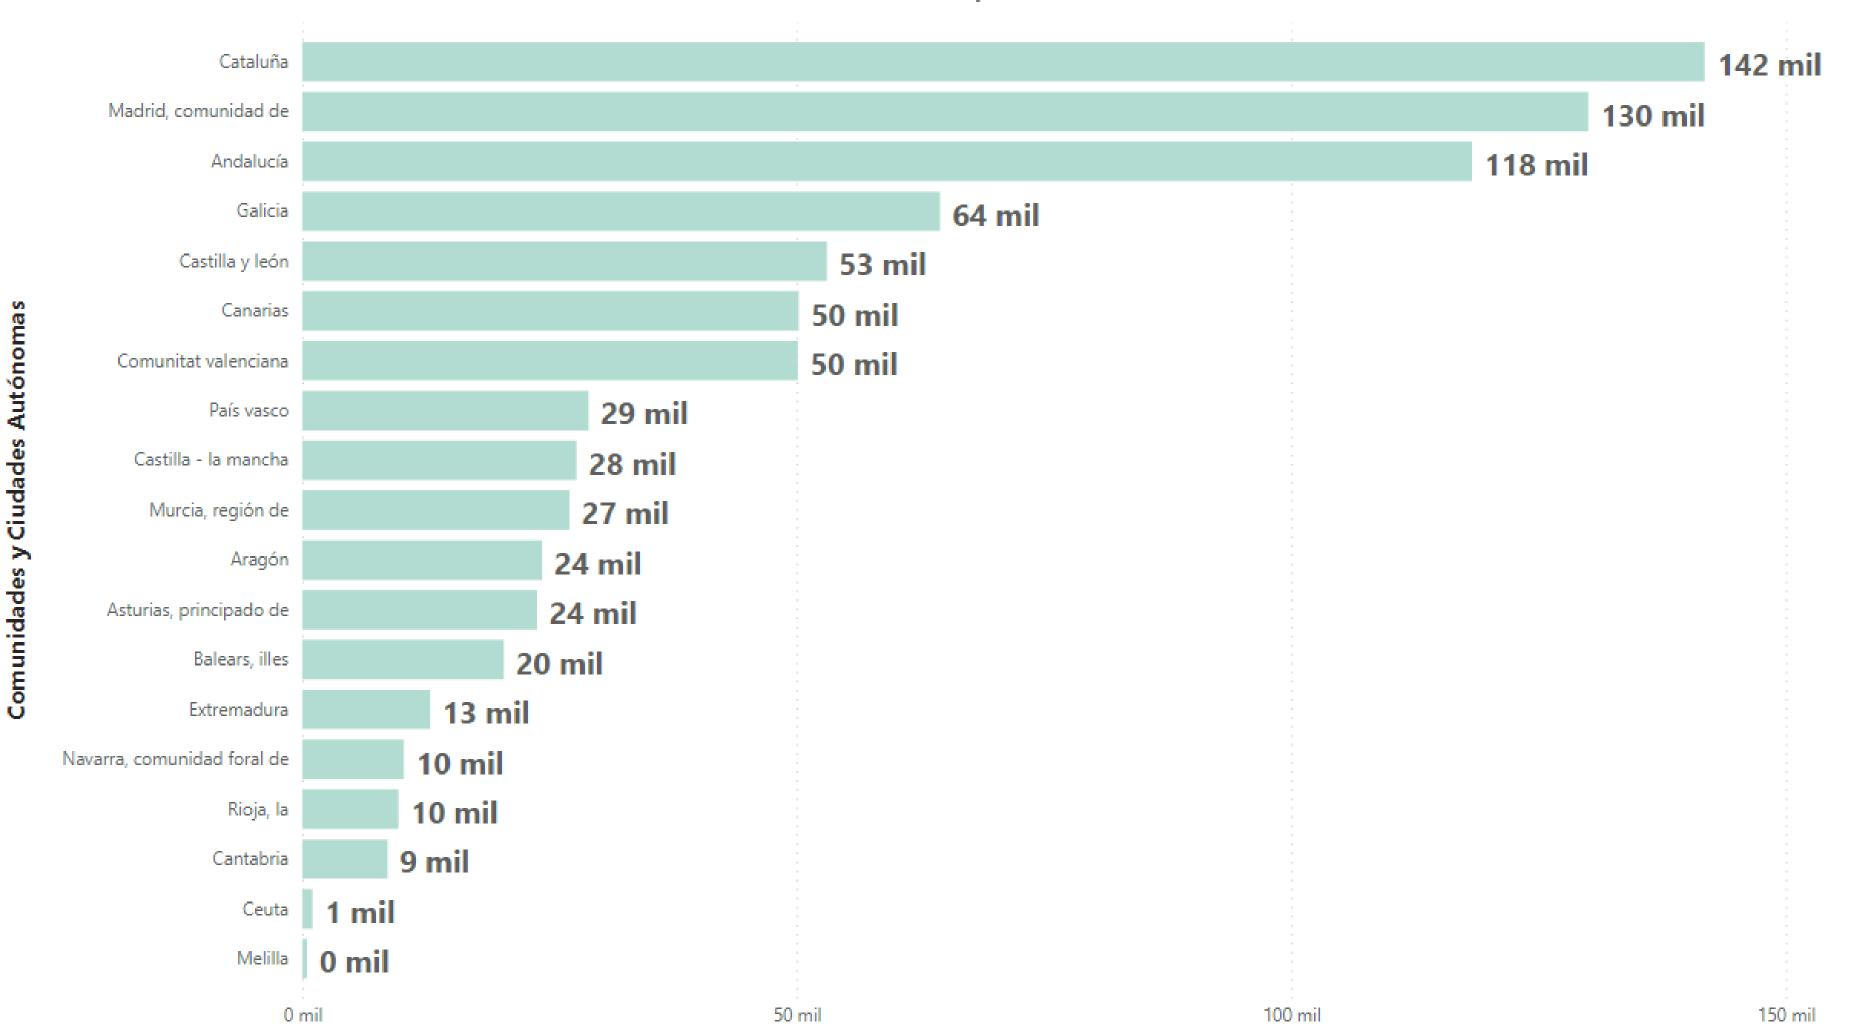

## Suma de Total por Diagnóstico principal (CIE10MC)

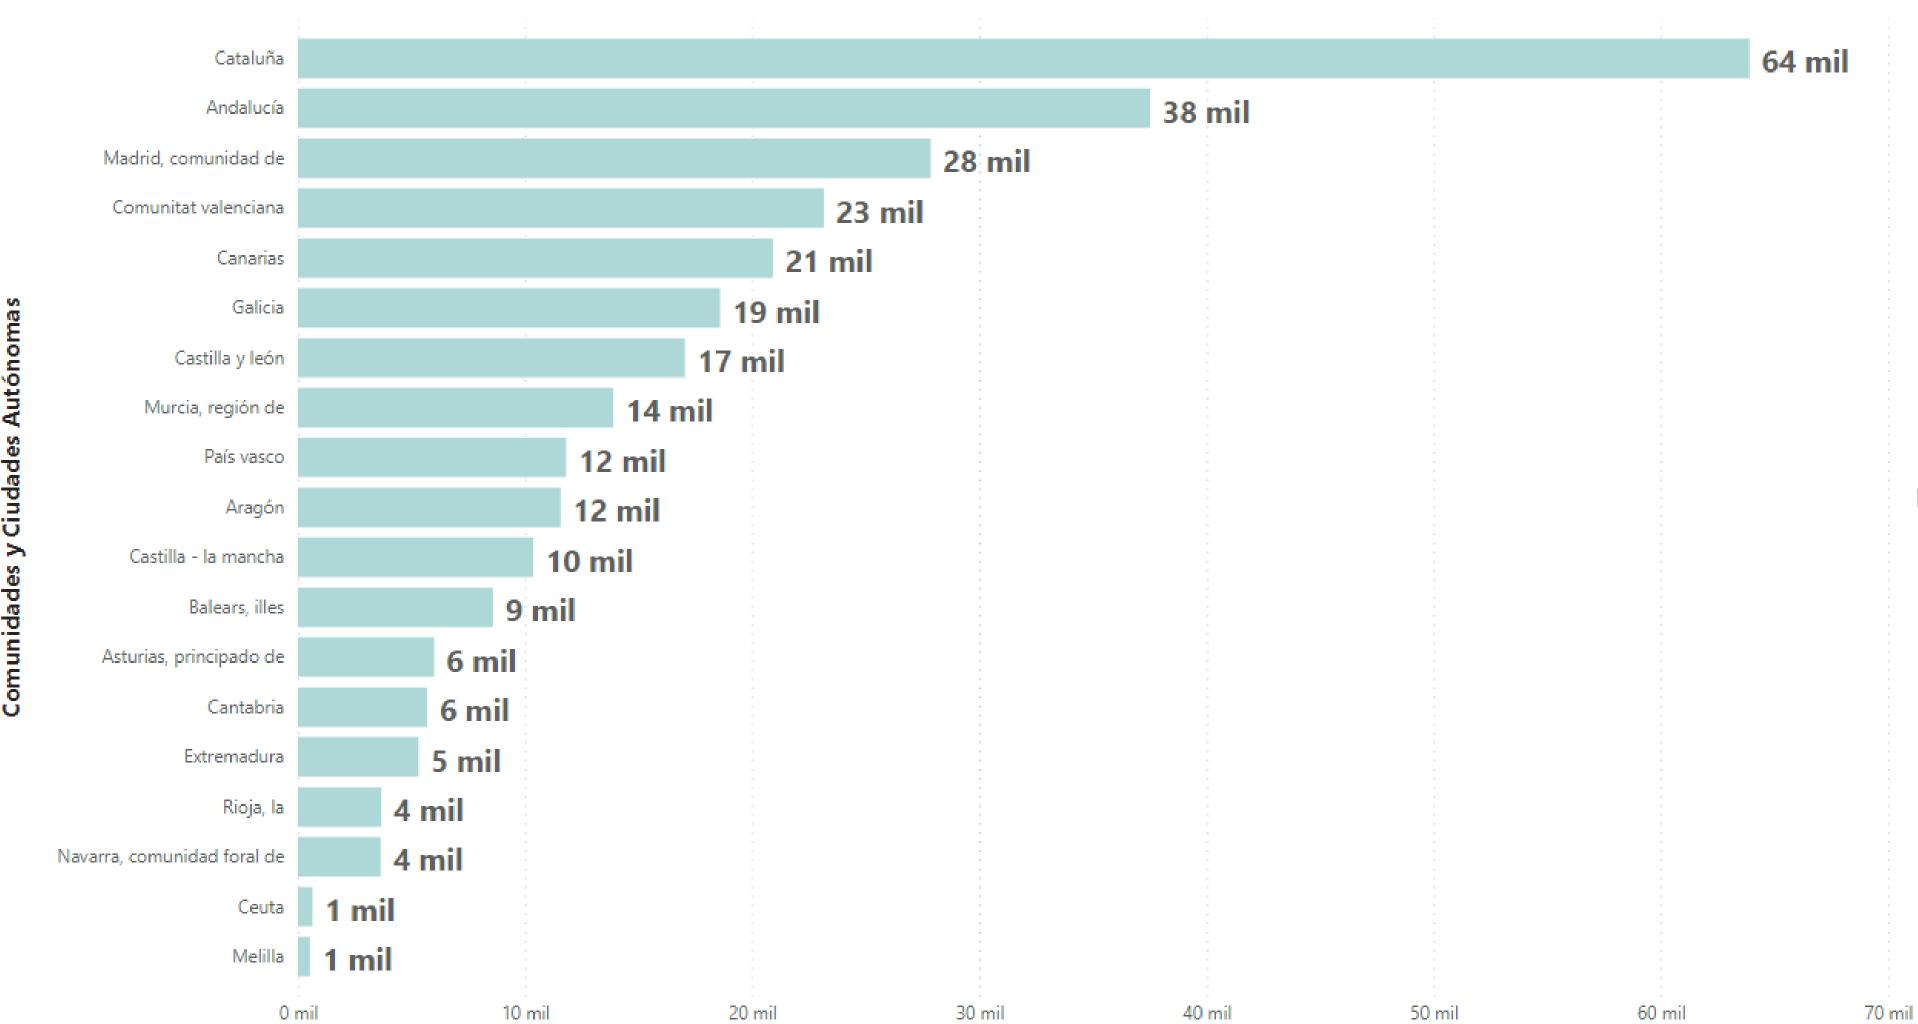

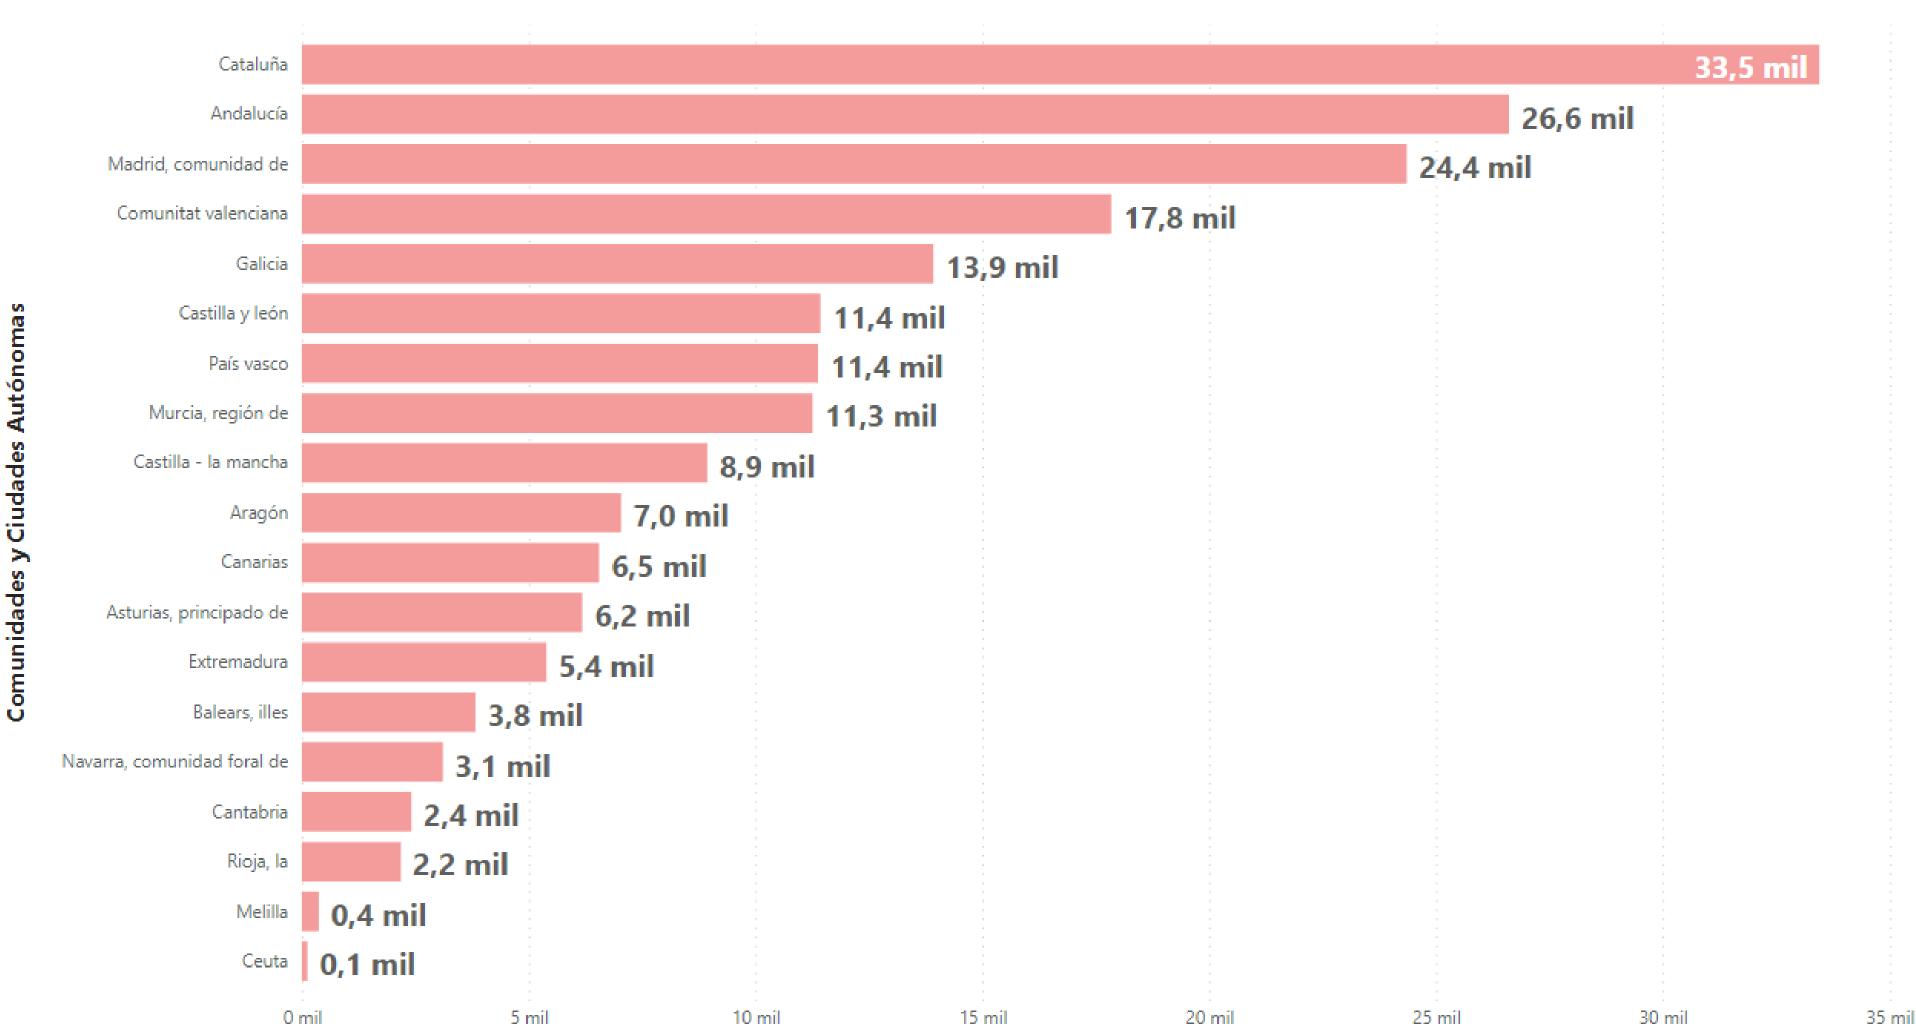

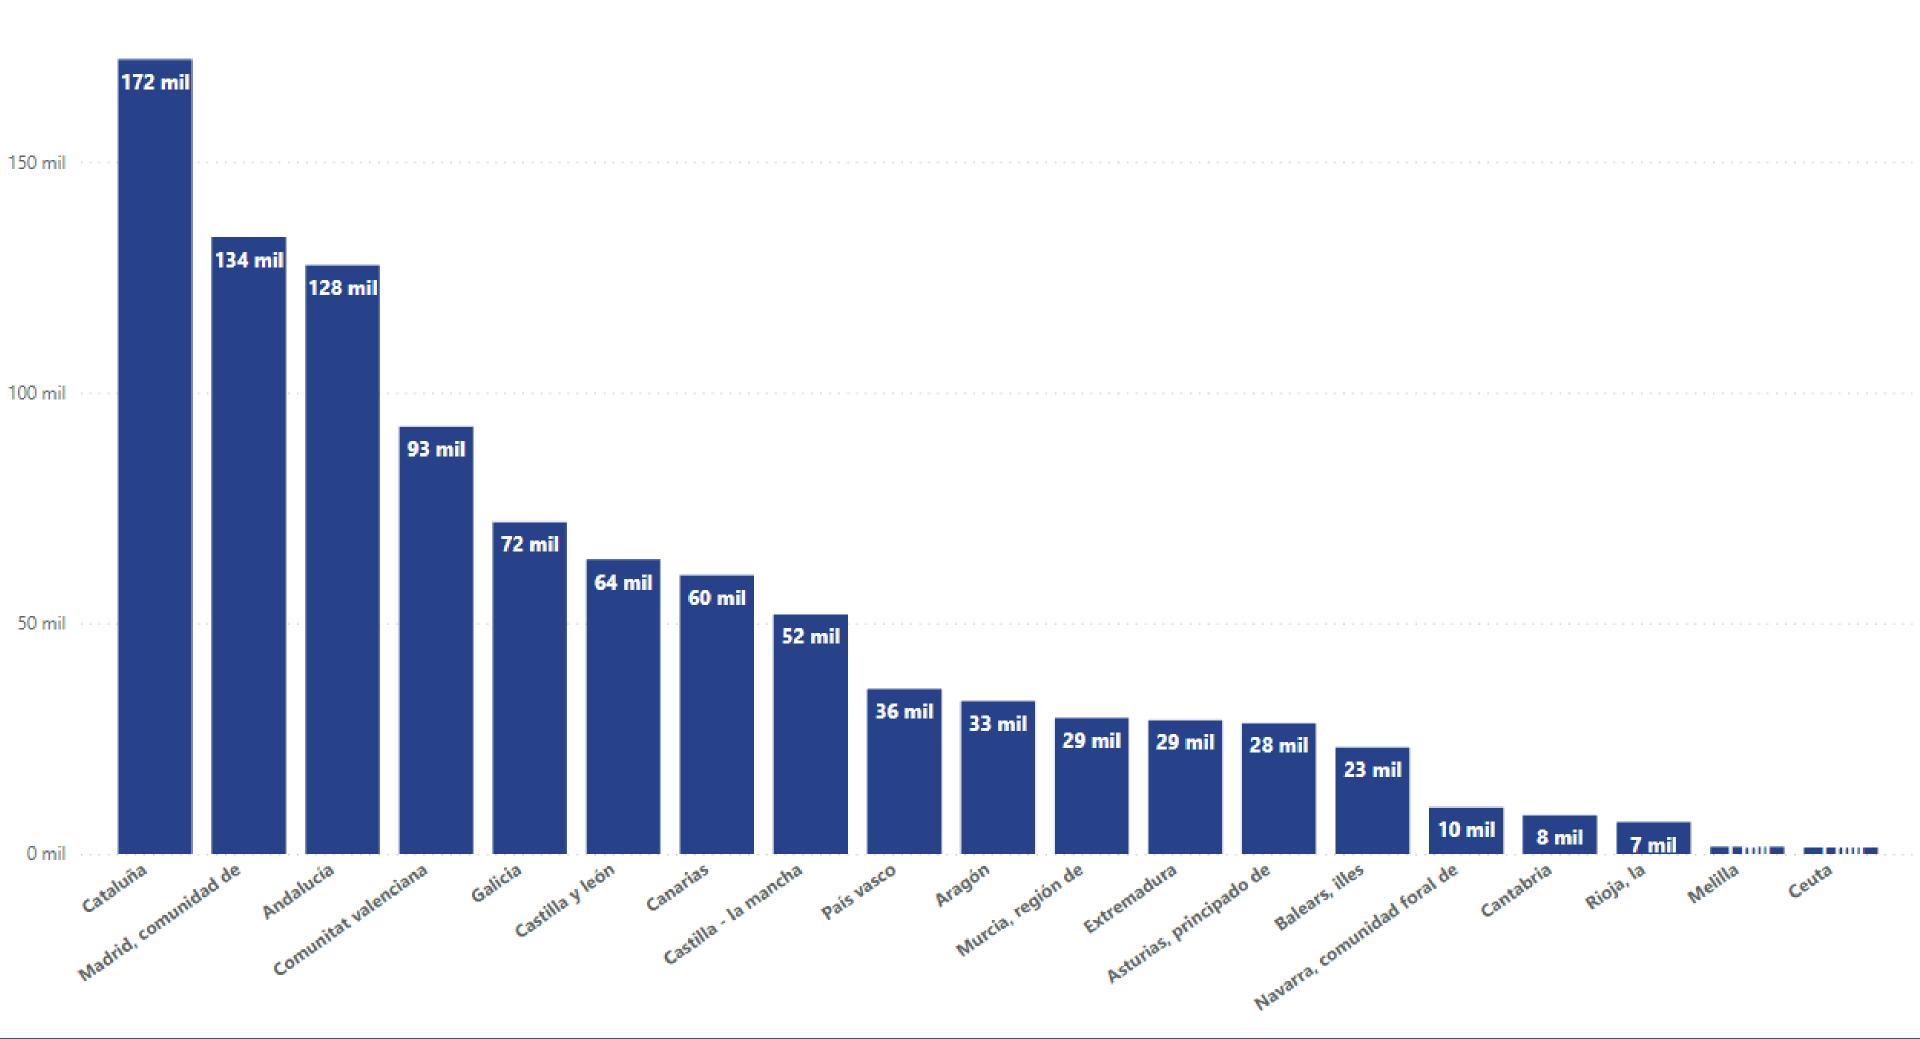

"La medicina es la única profesión universal que en todas partes sigue los mismos métodos, actúa con los mismos objetivos y busca los mismos fines"

SIR WILLIAM OSLER
1849 - 1919
